

## VSR COLLEGE OWES ITS EXISTENCE TO SRI NANNAPANENI VENKATRAO

**Late Sri Nannapaneni Venkatrao**, the Founder Secretary of VSR College was an impeccable politician, a socialist, a humanist and the God-father of the downtrodden . He was the youngest socialist chairman of India and served the Tenali Municipality Tenali for three consecutive terms. He was a politician par excellence, a superb player of Contract Bridge and a champion of the downtrodden sections.

Tenali famous as Andhra Paris did not have even a single educational institution of higher learning even in late 1940s. The poor especially the weaker sections of Tenali and Repalle Taluqs were unable to go for higher education due to lack of an institution. Nannapaneni's conviction that upliftment of the poor and disadvantaged sections is possible only by means of providing higher education to them resulted in the establishment of VSR College in 1951. Mustering strength in every way from different angles, he constituted The Tenali College Committee, Tenali with people committed for the cause of education. After crossing the infantile hurdles, it began to grow by leaps and bounds and witnessed many fast phases of progress and it became a prestigious institution. Generations of students remember Sri NVR the various Presidents Sri G.Ranganayakulu Chowdary, Sri.P.Sree Ramulu, Sri V.Seetharamaiah, Dr.K.Veeraiah, Sri T.Jagan Mohan Rao, Sri B.Rama Kotaiah, Sri K.Venkateswara Rao and Secretaries Sri A.Ahobal Rao, Sri A.Dharma Rao Sri N.Mohan Das. The sudden demise of Nannapaneni proved a havoc and the college was renamed VSR and NVR College in recognition of the services rendered by Sri NVR in the field of education. In 25 years, it became the second best in the state strength-wise, establishment wise and placement of students wise.

VSR and NVR College is one of the biggest colleges in the state with its three storied buildings, an auditorium with the latest equipment which can accommodate 1000 members, a Gymnasium, fitness center, an Indoor stadium, Seminar hall with AC provision, well equipped labs, a spacious Library with thousand of books on various subjects, a vast playground with provision for Cricket and Tennis games, hostels, Canteen, Stores, Cooperative Credit Society, cycle stand, pyramid meditation centre, non-student resident centre, waiting room for girls, Cement road, planked by Royal palms and beautiful gardens with Bharatha Matha and Mathru Murthy statues, all enclosed by compound wall on four sides.

Students of this college are fortunate to have the facilities to play any game of their choice. Fitness centre is an attraction. VSR College produced a number of National/International players and coaches. Me Shyam Sunder, the Arjuna and Dronacharya awardee is an old student of our college.

**Sri .NANNAPANENI SUDHAKAR**

**Secretary & Correspondent of VSR & NVR College**

The present Management is keen on improving the standards of the students by following the latest trends. Realizing the educational needs of the present day, the Secretary Sri Nannapaneni Sudhakar involves and motivate all the members to reach the goals.

Sri N Sudhakar enhanced the image of the institution by motivating all the stakeholders to successfully face the two academic challenges-Autonomous status and NAAC accreditation. The college is geared to face Autonomous Committee and NAAC Peer Committee for the third time. He has established Nannapaneni Venkatrao College of Engineering and Technology too.

**AIMS & OBJECTIVES OF THE INSTITUTION**

The institution aims at producing knowledgeable socially responsible, skilled and competent citizens with real human values and abilities to know, to do and lead purposeful lives. It intends to impart knowledge and suitable skills for employment, and train the students for specific employment and self employment, develop higher cognition abilities, .inculcate nationalistic outlook and sense of responsible citizenship in the student community, develop community orientation, participative culture, organizational abilities, leadership qualities, problem solving abilities and sense of religious and communal harmony. The major consideration, since the inception of the college has been to mould students into men of character.

## **VISION AND MISSION OF VSR &NVR COLLEGE**

Vision of the institution is to produce competent, committed, socially responsible, human resources by unfolding 'the perfection already in man'. The vision is in tune with its motto 'Aathmanam Vijaniyath' which means 'Know they Self'. Roof Pyramid of the college partly helps in translating the vision into reality.

The mission of the institution is to liberate youth from the bondage of poverty, deprivation, suffering, gender and other discrimination, by offering quality and value based education.

- To cater to the higher educational needs of this area in general and of the weaker sections in particular so that access and equity are provided.
- To raise the social status of women by encouraging women's education and equal participation.
- To develop community orientation, social responsibility, organizational ability, leadership qualities etc.,
- To instill scientific zeal and develop skilled human resource to meet contemporary challenges.
- To facilitate young learners with opportunities to hone their ethics and leadership potential.

The vision and mission of the institution is a reflection of the national policies of higher education, in melding human resources to meet contemporary challenges.

## **MOTTO OF THE COLLEGE**

The motto of the college is "Aathmanam Vijaniyath" which means "Know they Self". To help achieve it, a roof pyramid is constructed. Students, staff and for that matter anyone, who is interested can make use of it. It blesses the students with concentration and memory power.

## **CORE VALUES**

The vision, mission and core values are posted on the website. They are integrated into programs and communicated to all the stake holders. One of the missions of our institution is to cater to the higher educational needs of this area in general and of the weaker sections in particular so that access and equity are provided and its vision is to produce competent, committed, socially responsible, human resources. Since its inception our institution has been after outreach programs, which develop a sense of commitment and social responsibility and by offering quality education at a low cost, and by inculcating values, it has been contributing to the national development.

### **Global Competence**

The concepts of globalization, liberalization and privatization are drilled into the minds of the students to emphasize the need to acquire skills to face global competition. Offering a number of value added certificate courses, organizing thought provoking national seminars on the burning issues , involving students in decision making, giving freedom to them to take lead in community outreach programs, and motivating them to take part in innovative programs and by giving them access to the knowledge and skills, necessary to navigate and succeed in today's interconnected world,

### **Value System among Students**

**One of the missions of our college is** to facilitate young learners with opportunities to hone their ethics and leadership potential. The last hour of every Saturday is demarked for value based education in which students take lead , speak on burning issues of contemporary society , especially on the untoward incidents making the fair sex target and on corruption, pollution, adulteration , trafficking etc., Their participation, expression of their feelings, sharing the views of the speakers interacting with them go a long way . The Foundation Course on 'Human Values and Professional Ethics' is useful to the students but their involvement in the last hour of Saturdays prove to be more useful.

### **Technology**

Use of technology has become a basic need as it provides education crossing borders and continents. Online courses, Video conferences and applications like Skype have created a global platform of teachers and students who can share knowledge in an easy and convenient manner. Teachers remain in constant touch with their students through e-mails and have access to a gamut of information within seconds. Online libraries and e-books, Use of animation, videos, multimedia aids have transformed traditional learning methods by making it more engaging, fun and entertaining. Education through technology is innovative, economic , entertaining and inspiring. There is a need to promote the use of technology more and more. Use of technology as a learning resource, managing the activities of the institution in a technology-enabled way will ensure effective institutional functioning.

## Quest for Excellence

Our institution is committed to provide the best educational experience possible to every student. Innovative methods of teaching, access to the entire world in no time through technology, information about the entire world promotes a sense of competition, which leads to quest for excellence.

## **LIBRARY**

**Library is open from 9 am to 5.30pm and lunch break is from 2to 3pm.**

### **The Library**

As Library is the heart of institution, it is being given priority since its inception in 1951. It is a well established and well ventilated library, which has been acclaimed as one of the best libraries in Andhra Pradesh. The foundation stone was laid by the Ex President Sri V V Giri.

The paradigm shift in higher education due to globalization has brought many changes in the libraries. As the focus is on the learner-cantered learning, libraries have become more important than ever. Our Library has become user-friendly, sees that students make use of technology for their good, develops information focused on patron's needs and tries to satisfy the higher expectations of information conscious user community.

The library has 60,529 volumes and 43 journals. It offers orientation to the new comers, prompt service to the users and guidance at every step. It offers Circulation services, clipping services, Information display and notification services, Reprographic services and internet facilities.

It takes feedback from students, maintains a complaint box. In connection with Library week celebrations, it organizes competitions in Book Review, Essay writing, singing, debate etc annually. It gives Optimum User of the Library award every year. With the help of the Library Committee, the librarian enriches the library in every way. Once the institution has become autonomous and accredited by NAAC, Library follows the guidelines of the UGC. Giving importance to ICT, It has automated to a great extent.

### **Library Rules**

- No printed matter or files will be allowed inside the library.
- Strict silence should be maintained in the library and no combined study or group discussion is permitted in the library.
- Dictionaries, reference books etc. are to be used in the library only.
