The members of Strategic plan committee met in the principal chamber along with vice –principal and the in charges of all departments under the chairmanship of Principal finalized the following strategies to implement.

Our Strategies are:

Ensure that our courses are relevant and conform to globally accepted standards.

The syllabus of every course is thoroughly discussed, reviewed and changed by each dept at BOS level and approved by the academic council.

With the knowledge and experience of professionals from the industry and alumnae in all the boards of the statutory committees, we include it in the curriculum design and relevance of the courses. Feedback from the stakeholders is incorporated while drawing up the academic plan for the year.

Involvement of students and staff in decision making leads to transparency.

every teaching faculty member has to submit academic schedule including co-curricular activities, as per the academic calendar

To promote research among the staff and students:

Cash incentives are given by the management for research publications

Encouraged the staff to organize and attend workshops /webinars/seminars.

To assign a self study topic and then assess learnt by the students.

Project work for the 6th sem students in U.G and P.G students as compulsory .

Encourage the staff and students to present papers in Seminars.

Student Introduction Programme [SIP] to be continued to help the fresher to know about the rules, regulations and facilities in the college.

To continue the activity “Performing Arts” which is a platform to show student’s talents and to improve them.

Encourage social outreach Programmes:

Students are encouraged to attend the social works outside the campus and in the community.

Management , faculty members and students are actively participated in all relief work after disaster.

It is proposed to continue CHEYUTHA as an outreach prog.

Staff members along with students are participating in numerous activities like visiting orphanages, slums etc

To provide facilities for high quality teaching and learning, Training classes for use of ICT in class rooms to be held.

Seminars/workshop on pedagogy tools for teaching are organized frequently.

To continue the activities organized by Women Development Cell

i.e: Competitions in cultural activities Guest lectures on Health awareness

, celebrations like Teachers day , International women's day

NSS, NCC services in creating awareness of harmful impact of Environmental pollution.

National integration camps, training for NCC cadets at different places, Special camps for NSS volunteers make them understand the society proper and it sows seeds of social service.

Remedial classes for slow learners and project works, peer team teaching etc to advanced learners to be continued.

To continue one week "SWOOD" prog by the department of Chemistry on INTERNATIONAL OZONE DAY on September 16th .

Eco club members undertake many activities throughout the year such as no plastic day on 3rd Monday of every month, no vehicle day on 1st Monday of every month-distribution of clay ganesha idols on the Vinakachaturdasi festival, giving awareness of using cloth bags instead of harmful plastic bags. October 4th is observed as Environment day in college

Use of e-governance in examination system and admission process , Finance and accounts to become IT enabled

Value education is a compulsory course for all the students.

Staff guardian ship is to continue to maintain the relationship between mentor and mentee. It helps the students to discuss freely.

The Code of conduct committee organizes professional ethics programmes to monitor

adherence to the code of conduct by students, teacher's administrators and other staff. Celebrate or organizes commemorative days throughout the year to be continued .
