HOLISTIC DEVELOPMENT THROUGH PHILANTHROPIC ACTIVITIES

CHEYUTHA -A HELPING HAND

Giving a helping hand to a needy one is not only a responsibility, but it's also an act of humanity that we can show towards others. To inculcate this helping, caring nature and loving thy neighbour in our students and to serve the needy people in our society with a catchphrase **“Prardhinche Pedavulakanna Sahayam Chese Chethule Minna”**

Compassion and generosity drive impactful community service, and students at VSR AND NVR (Autonomous), Tenali have demonstrated this through various initiatives aimed at supporting those in need. Over the past year, they organized multiple distribution drives, providing blankets, provisions, vegetables, fruits, , and books to school children, poor people in surrounding villages. Additionally, funds were raised to support old age homes. This report highlights the details and outcomes of these efforts. Recognizing the diverse needs of marginalized groups in their community, students from V.S.R &N.V.R College(Autonomous), Tenali undertook a series of distribution drives under extension activity. These initiatives aimed to provide essential items and support to school children, slum dwellers, residents of old age homes, and poor villager

Objectives

- . To provide essential items and support to marginalized and vulnerable groups.
- 1 2. To foster a sense of social responsibility and empathy among students.
3. To build strong connection with local communities and institutions serving these groups

CHEYUTHA

Do not pass by a man in need.

For you may be the hand of God to him- proverbs 3:27

We know that our world is divided into two. On one side there are people living their life in luxury and on the other side there are people who can't afford to live, no place to live, have no food to eat and have no clothes to wear.

Being poor doesn't make them a different people or unwanted, it's just a life course that they are facing. So I say that we should help everyone, no matter what color, race or religion we all are.

We can make a difference in their lives even with a little – it doesn't demand that much, just a little of what we have and a little of time. We can change their lives and give them a good will & happiness, by showing them love.

” our college Extension committee conducted CHEYUTHA program from 3rd to 5th July 2023. And this program was launched by our honorable Correspondent Sri. Nannapaneni Sudhakar garu. This program came in to action because of our beloved AO Dr.N. Suguna & Director of PG Courses Dr.N.Surya Kumari madam. In this program the principal, Teaching & Non – teaching staff, students and the Management extended their helping hands towards the needy students of our college and the needy people in the society by donating their clothes(jeans, shirts, sarees, blouses, frocks, Punjabi suits etc) bed sheets, woolen coats, utensils, shoes, hand bags and purses. On 3rd July cheyutha program conducted in our college to help our needy students and 4th

FEEDING THE HUNGRY

A group of college students and faculty from V.S.R &N.V.R (Autonomous)College, Tenali decided to take action against hunger in their local community. In a world where many struggle with hunger and food insecurity, the efforts of compassionate individuals and groups can make a significant impact. Among these, college students stand out for their energy, creativity, and commitment to social causes. Through various initiatives, they often come together to support those in need, demonstrating the power of collective action and community service. One such inspiring example is the story of a group of college students who have dedicated their time and resources to feed the hungry in their community on multiple occasions. Motivated by a desire to make a difference and inspired by similar initiatives, they organized several events to provide meals to those in need.

Objectives

1. To address food insecurity in the local community.
2. To raise awareness about hunger and poverty.
3. To foster a sense of community and responsibility among students.

Fund Raising for financially backward students through Food festivals in College

Empathy and initiative often drive students to contribute to societal causes, leveraging their creativity and energy to make a meaningful impact. One such inspiring endeavour involves students organizing various stalls to raise funds aimed at supporting the education of financially backward students. This effort not only demonstrates their commitment to social justice but also highlights the potential of grassroots initiatives in fostering educational opportunities for marginalized communities. Students from V.S.R & N.V.R College (Autonomous), Tenali recognized the educational challenges faced by students. Motivated to make a difference, they decided to raise funds to support these students by organizing a series of fundraising stalls. The students under the guidance of Women Development Cell organised Food Festival. Many stalls arranged by the students and sold different food items. It encourages and another words it leads the students to Start up programme.

Objectives

1. To engage the student council body in meaningful community service activities
2. Motivation for students by Women Development Cell.

HOLISTIC DEVELOPMENT THROUGH PHILANTHROPIC ACTIVITIES

LUNCH TO THE SICK PATIENTS AND THE MENTALLY DISABLED PEOPLE

Disability causes changes in the eating process, which is central to the definition of each individual's social and psychological spaces. Assisted feeding tends to prioritise the nutritional component of food ingestion. However, cultural, social, and contextual factors have a critical impact on an individual's well-being and quality of life. This stresses the importance of re-addressing intervention models affecting differently-abled people and incorporating approaches that take into account the contextual aspects of occupational therapy. Most approaches to food and eating issues among people with disabilities, however, have focused on the nutritional elements of the process and the patients' biological (medical) needs

The Department of Commerce have visited Government Hospital at Tenali on 18-02-2024 and provide lunch to the sick patients and the mentally disabled people in the hospital. Around 50 sick people were provided lunch in the Ashraya ward
