

VSR&NVR AUTONOMOUS AND REACCREDITED COLLEGE

NATIONAL CADET CORPS

Having realized the importance and benefits of NCC , VSR&VR College grabbed the opportunity of introducing NCC in 1962 itself. Since then it has been one of the attractions for students to covet this college.

Benefits of Joining NCC

It helps the institution reach its goal of producing socially responsible citizens as cadets learn several values like selflessness, honesty, discipline, hard work and ways to build confidence and gain leadership qualities.

It creates awareness among students on the importance of patriotism and the zeal to sacrifice their lives when the country is in need of them.

One of the benefits of joining NCC include receiving basic military training. It develops the students' interest in three forces – Air force, Army, and Navy.

60 Engineering Seats, 16 Medical Seats, 6-7% of Post-graduation seats are reserved for NCC cadets in all Indian Universities

Cadets possessing 'C' certificate are absorbed soon after graduation into different services.

NCC Cadets have reservation in many Government jobs, especially in the State and Central Police and in paramilitary forces.

Over 70 years of its existence, the institution produced a number of people, who were absorbed in IPS and IFS. Thousands of people joined in the police department. This was possible because of several motivating factors. In the recent years three National Integration Camps were organized on the campus. Because of the infrastructure, 22 CATC Camps, 24 ACC Camps were conducted. A few cadets participated in the Republic parade at Delhi.

A number of staff members got trained as NCC Officers.

Sri S Niranjana Rao was the NCC Officer for many years and now Mr A Anil Kumar is the care taker.
