

## **PRINCIPAL'S REPORT FOR THE YEAR 2020-21**

**As the FAC Principal of this august college, I deem it a privilege to present a brief report of the activities of the institutions. This year the strength of the UG & PG and Inter students has come to about 1000.**

**This academic year can be said to be the darkest period in the history of India. Pandemic-19 has played havoc in the lives of people belonging to every sector.**

**The vision of the institute being producing competent, committed socially responsible citizens, this calamity has given scope for all to understand the importance of social responsibility. During COVID students of Chemistry prepared liquid sanitizers in the laboratory and distributed them to the public. NSS volunteers created awareness on corona among the public. Alumni on rolls got masks stitched and handed over to the DSP. Principal, staff and students distributed them to the public The Correspondent handed over PPE kits worth one lakh to the Govt Hospital, Tenali, to be distributed to the front warriors Some alumni honoured the Municipal workers giving them ne dresses and groceries worth Rs60,000/-**

**However dark the cloud maybe it has silver shining. Though exams had to be postponed due to Corona, though students and parents are in the grip of fear, it has its own positive side. It made the students and staff aware of the importance of technical competence. To see that students do not lose time, online classes were organized.**

**1 One Day National Webinar on "Digital Parenting" organized by IQAC on 1<sup>st</sup>, June, 2020.**

**2National Webinar cum Faculty Development Program on "Emerging Trends in Academic Publishing and Plagiarism" organized by the Department of Library Science on 13<sup>th</sup> July, 2020.**

**Tests, student seminars were conducted using the platforms Google/ Zoom.**

**On Unawares students-centric learning was practiced.**

**Gender sensitization programs , lectures on Intellectual Property Rights , Entrepreneurship, Fundamental Rights and Duties were organized online or offline.**

**Research supervisors produced two PhDs and contributed a number of research articles to international/ national journals. The institute contributed Rs 1,15,000/- to Dr A Gangadhar Rao and Dr D Madhusudan rao towards publication of research articles.**

**Dr M Sulochana of the Department of Chemistry procured patent rights for her invention of herbal cake for diabetic patients and best research paper publication award. She cleared NET also during that period. As an incentive she is given Rs 50,000/-**

**Two-Day Induction program was organized for the fresh students. All the 1<sup>st</sup> Semester students were taken round the college.**

**Ozone day was celebrated for aa week and a number of literary and cultural completions were conducted for the students. Gender sensitization and environmental pollution were given priority. Inter collegiate essay writing competition on Gender equity was conducted.**

**Effective staff guardian system takes care of the academic and personal problems of the students, nine skill-based, employment-oriented certificate courses are conducted to make students fit to face global competition,**

**In addition to the two best practices of the institution- Outcome Based Education and Staff guardianship each department has its own best practice. Awareness programs on food adulteration, AIDs, Health and Hygiene, hazards of environmental pollution, Caring & Sharing are a few to mention with.**

**Feedback from all the stakeholders is taken and importance to their suggestions is given. Internship and field visits are not encouraged in view of the COVID.**

**For physical wellbeing, students are given access to -gym; indoor stadium and playgrounds to play any game of their choice. Intra mural competitions are held every year. To improve concentration, memory power of the students and to**

help them lead stress-free life, a roof Pyramid, is constructed and yoga and meditation is given priority.

Games and library hours are included in the timetable. Swach Bharath is given importance.

The sprawling playgrounds attract the district officials and University authorities and naturally a it has become a center of number of selections, and coaching camps .

As it is a service -oriented institution, even public is allowed to make use of the grounds for walking purpose, Pyramid to meditate ,indoor stadium by alumni and others, Library by the outsiders , who go for competitive exams , of course with prior permission.
