

Principal's Report 2021-22

The Annual Report is presented by the Principal, VSR & NVR College on College day i.e. Founders Day. It includes the major initiatives, the activities and accomplishments during 2021-22 in a brief. It recognizes the achievements of the students and faculty. In addition, it also provides information on the activities of student societies, institutional social responsibility and stake holders of the College during the academic year. Let me place on record respectful homage to the towering personalities who were behind the growth of this institution.

The academic year commenced on 04-10-2021 with the student strength of 703 in the Under-Graduate and 20 students in the Post-Graduate.

Republic Day was celebrated on 26th January, 2022. Some of the students shared their views about republic day. The International Women's Day was celebrated with Smt. N.Raja kumari. She shared her views on the equal rights of women in the society and to improve quality of women. World Ozone Day on 16.09.2021, with the objective of creating awareness on ozone layer and its depletion and organized a Tree Planting with the object of tree plantation is significant because it is linked to our basic need for good food to eat and clean air to breathe.

Department of Botany organized Learn a plant everyday on 18-08-21 to bring awareness on plants and their medicinal values. Health care with medicinal Herbs, by Cultivating medicinal herbs i.e. Ocimum sanctum, Tridax procumbence, Bryophyllum pinnatum, vinca rosea etc. are useful to improve the health.

By collection of a handful of rice from all teaching, non-teaching staff and students to help the needy and poor people.

In addition there are several societies for extra-curricular activities like Debating, Creative Writing, Elocution, paper presentation etc. The student societies work throughout the year for the expression of the creative potential of the student community. To help students assume leadership of movements of CHEYUTHA an Innovative Programs – which provides opportunities for students to make a positive contribution to community development and social welfare. The Women's Development Cell which engages with women's issues on gender sensitization programs like elimination of violence against women, gender discrimination in education, gender equality, human rights and gender bias, gender

equality in work place is not possible without gender equity in society, can gender equality make India a developed country, Smt. Savithri bai phule, the first women teacher of India.

Our students participated in multiple outreach programs that give them access to transform lives and the world around them.

Our students constantly engage with larger social causes. The activities of the NSS unit reflect this spirit.
