

3.6.1 Extension activities carried out in the neighborhood:

Inspired by the sole ideology of our founder secretary Sri.Nannapaneni Venkat Rao garu,which is service to humanity,a Student Social Service [SSS] was formed by Mr.Samuel Raju [3rd B.A] and his co students.Many programmes were successfully organized by them with the help of our management.

Students collected out grown/pre loved/partially used but in good condition clothes from their houses and neighborhood and distributed them to the needy thus helping them cover themselves and enabling them to face the brunt of weather variations.

Staff members with their contribution:

With the idea of spreading knowledge and giving basic education to children, students visited orphanages during their free time in the evenings and helped them with their studies by taking classes.

Many students realised the importance of sharing and caring. They saved money from their own pocket money and brought new clothes to orphan students. These clothes were donated by the Correspondent of our college Sri. Nannapaneni .Sudhakar Garu
